

Gospel Singers

Our Gospel Singers are a group of singers that lead the singing at the church the first Sunday of every month. We also go out into the community and entertain at nursing homes and senior high rises. We go to Mulberry Estates on the first Sunday of every month and to Providence Place the first Tuesday of every month. We entertain for an hour at each place. At Mulberry Estates we break for a story half way through. We begin each program with a welcome and prayer and end with the Lord's Prayer. Last year in addition to our regular visits to Mulberry Estates and Providence Place, we were asked to sing at Inga Grafton Gage Home and High Park Towers.

Louise Nagel picks songs for our gospel singers to sing at church and I plan the programs for the community singing. Dorothy Johnstone accompanies us on the organ for the Sunday church services and at Providence Place. Barb Dick accompanies us on the organ at Mulberry Estates. When these ladies were unable to play, Julie Davidson and Gary Thronberg filled in. God bless them for keeping us going.

At the end of the season our group went for Chinese supper to the Uptown. Everyone enjoyed the evening. We begin our season in September and sing monthly until May.

Everyone is welcome to join us—young and old. Let Jesus' love shine through our voices. It is most rewarding to see a smile on the face of those who are shut-ins.
