

## Trustee & Property Committee Report

Our Trustee in 2007 was Gerald Martin. Gerald has moved to Nova Scotia as of January 2008. Therefore I, Pastor John, am submitting a brief report for him.

Thank you to Ray Martineau and Larry Neuman for serving on the Property Committee with the Trustee. The committee looks after the general maintenance and upkeep of the church building and grounds. Various people have been involved in projects over the past year and we thank them, especially Fred Huber, Tom Varga, Ivan Brummet, and George Denet.

Some highlites of 2007: carpets were cleaned, fellowship hall painted, fire lane no parking signs set-up, paving bricks relayed at front entrance, furnaces fixed, new hot water heater installed, and purchased a gas powered hedge trimmer and air compressor.
